Tournaments

The Richmond Soccer Club entered a number of Tournaments at the end of the season

Keilor Cup

The under 14 boys who played the year in the under 15 competition entered the Keilor cup in their own age group.

After some great games the boys made it to the grand final where they played Green Gully After full time with no result it went to golden goal and our boys lost 1 to 0. They gave a great display of football throughout the competition.

Doncaster Cup

The under 18 purple and the under 16A boys both entered team in the Doncaster Cup. It gave the club an opportunity to see the quality of players we have developed during the season. Our teams played each other in a tough encounter producing a nil all draw.

This gave the under 18's a finals berth against Dincaster Rovers having been unbeaten in the competition. This was a tough battle fo the first 15minutes until Richmond settled into playing great football all over the park winning convincingly 3-0. Congratulations to all the boys

Parking Fines Kevin Bartlett

Please note the parking restrictions at the club. We are able to use GE car park after 5pm or the University car park after 4pm

The local council have been contacted about the issue and we have contacted Steve Jolly a local councilor. The lack of parking facilities has been raised with Senior Yarra officers and we will keep you updated.

Any one who received a fine during the last week of the season at training please email mism@bigpond.net.au if it has not been revoked (include the infringement number and registration of car)
